Accessing MSD IT network file-stores using macOS

You can only access MSD IT file stores when connected to an Oxford University network, the MSD IT VPN service or the Oxford VPN service.

1. Connect to the MSD Network via the Finder Go menu:

2. Enter your departmental server address, in most cases this will be the usual Oxford short-form. If in doubt, please contact our Service Desk:

• • •	Connect to Serv	ver	
Server Address:			_
smb://dept.imsu.ox.ac.uk	4		+ 0~
Favorite Servers:			
? Remove		Browse	Connect

3. You will be asked to confirm the connection request:

4. Enter your MSDIT network user name and password:

-				
疗疗疗	Enter your name and password for the server "imsu.imsu.ox.ac.uk".			
•	Connect As: O Guest			
	Registered User			
	Name: your-msd-network-username			
	Password:			
	Remember this password in my keychain			
	Cancel Connect			

5. Select the file-store you want to access:

1 AMM	
-	

000

Select the volumes you want to mount on "imsu.imsu.ox.ac.uk":

IMSUHOME	
NDCLS	
NDCLSHOME	
NDCLSNBS	
NDCN	
NDM	
NDMHOME	
NDOG	
NDORMSXRAY
