

Translational Research Office & MLSTF 2019 Launch Roadshows

Thursday, 2 May 2019
10am – 11.00am
BioEscalator

Friday, 3 May 2019
11.30am – 12.30pm
WIMM

Wednesday, 15 May 2019
11am – 12pm
Sherrington Building

To celebrate the launch of Oxford's **Translational Research Office (TRO)** and the 2019 **Medical and Life Sciences Translational Fund (MLSTF)** you are invited to participate in a series of 'roadshows' being held across the Universities Campuses and Departments.

The TRO has been established to support academics and clinicians in advancing their research through appropriate translational funding steps towards the development of new therapeutics, vaccines, diagnostics, devices and clinical techniques addressing unmet medical need.

AGENDA

1. Welcome, Introduction & Launch of MLSTF 2019

Professor Matthew Wood, Deputy Head of Division (Innovation)

2. Launch of the Translational Research Office

Dr Sarah Wagstaffe, Head of the Translational Research Office

3. Oxford University Innovation & Translational Research

Dr Ruth Barrett, Senior Licensing and Ventures Manager

4. Medical and Life Sciences Translational Fund Case Studies:

2nd May – Professor Andrew Carr, Dr Christine Rollier

3rd May – Professor Graham Ogg, Professor Sunetra Gupta

15th May – Professor Katie Warnaby, Professor Carol Robinson

5. Panel Q&A, Refreshments and Networking
