

HARRINGTON UK RARE DISEASE APPLICATION GUIDELINES

Harrington Discovery Institute[®] is issuing a call for proposals for a new grant award programme to **advance promising research into novel treatments for rare diseases**. Modelled after its US programmes, Harrington Discovery Institute is providing UK researchers with a unique opportunity for funding and personalised discovery and development support.

Please see below for the list of sections you will be asked to fill out in your online application for the grant award programme. To access and submit your online application, please log into HarringtonDiscovery.SmartSimple.com.

[Version: 8 January 2020]
